

ZVI DOV ROTH ACADEMY of Yeshiva Rambam

Calculator Rental Form

Each student has the option to buy their own calculator or to rent one from ZDR Academy. The cost to rent each calculator is \$25.00 per year. In order to receive this calculator, each student must complete and return the form listed below.

I, _____ understand that I will be renting a graphing calculator. If, for any reason, the calculator is broken, damaged, lost, or not returned at the designated time, I will be required to pay the fee of \$125.00 per calculator.

I understand that if the \$125.00 is not paid, the school has the right to withhold my transcript and/or diploma, and that I can be barred from taking Final Exams.
