Textbook Fee

ZDR Academy provides students with free textbooks; however there is a \$100 refundable deposit required before a student can receive the textbooks. (This money will be fully refunded at the end of the year). All school textbooks remain the property of the State/School and must be returned in good condition, prior to or during final examinations. A student who writes in his/her book must pay for that book. If a book is torn, ripped, misplaced or lost, it is the parent's responsibility to pay for it in full according to the price list below.
